

Approaching Math Learning Through a Growth Mindset

Using Jo Boaler's online course on How to Learn Math: For Teachers K-12

- ◆ Participate in 8 on-line sessions of Mathematical Growth Mindset: 4 as a whole group, 4 at your own pace
- ◆ Engage in 4 collaborative sessions with teachers across the county. Facilitated by Eileen Smith and Molly Todd
- ◆ Reduced rate to online course and membership through CMC (California Mathematics Council)

For more information contact Eileen Smith at esmith@marinschools.org
