

Marin County Office of Education

Presents

DRDP 2015 Planning with Data Module 3

March 11, 2017

8:30am - 4:30pm

Space is limited

Prerequisite for this workshop is DRDP 2015 Teacher Training (Module 1)

Learn about:

- Using DRDP results to plan for individual children and groups of children
- Looking in depth at how to plan for small and large groups of children as well as individualize for specific children
- Utilizing the foundations and framework in the planning process

***Please bring a copy of DRDP classroom-individual child data
