

# The Power of Play in the Development of Young Children

March 17, 2017

8:00am - 3:00pm

**Cari Ebert**

M.S., CCC-SLP is a  
Pediatric Speech-  
Language Pathologist

**This seminar is based on the understanding that young children learn best through play that is relevant and meaningful to their lives...not through direct instruction, drill work or flash cards!**

## Seminar Objectives

- Describe the benefits of play in the development of young children
- Understand and describe the different stages of play
- Identify how to select developmentally appropriate toys
- Discuss the negative impacts on play in our society
- Apply practical strategies for functional play-based assessment and treatment
- Examine how to achieve parent involvement and follow-through in the therapy process

**Cost: \$150.00/person**
